

First Communion Registration Form for Our Lady of Tahoe Catholic Parish

This year, 2021-2022, the parish is offering only preparation for First Holy Communion. This group includes the following requirements:

1. The child is to be between the ages of 6 years and 10 years old. It is highly preferable to begin the First Communion preparation at age 6.
2. The child **MUST** be already baptized. (Non-baptized children fall into another category of preparation which we cannot accommodate at this time unless the child is younger than 7 – then, please call the office). A copy of the baptismal certificate must be presented at the time of registration.
3. The family (parents) of the child/children must be registered and participating members of the Our Lady of Tahoe Catholic Parish. Registration of the family in the parish done at the time of preparation is not acceptable.
4. Classes are conducted in English with English language textbooks.
5. Formation for First Holy Communion is a two-year (2 year) program which must be accomplished before First Communion can be received.
6. A child who has received a year preparation in another parish is acceptable if the family is a member of OLOT Parish now and can provide a document from the former parish showing participation of the child in that parish's program.
7. Home-school preparation for First Holy Communion is acceptable. The parent must inform the Director and/or pastor of the intention to form the child at home and provide information of the resources being used. Approval is contingent upon the pastor's acceptance of the material.
8. COST of the program is \$50 per child.
