SAIN'T OF THE WEEK

St. Agnes is one of the most famous early Christian virgin martyrs and is mentioned in one of the Eucharistic prayers of the Mass. There is no reliable information about Saint Agnes' birth, life, or death. According to legend, she was a beautiful girl, the daughter of a Roman noble. She was raised as a Christian and consecrated herself to Christ through a vow of Chastity. She became a martyr at the age of 12 or 13 during the emperor Diocletian's reign because she refused to marry the prefect's son. As the legend goes, when some men tried to take advantage of young Agnes, her hair grew, covering her up and protecting her virginity. She was reported to the authorities for being a Christian, arrested, and sentenced to death by burning. Tradition says that the flames did not consume Saint Agnes, so she was beheaded. She was buried in a catacomb near Rome, where Constantine's daughter built a basilica in her honor. She is depicted in art as a young girl in robes, holding a palm branch in her hand and a lamb at her feet or in her arms because her name resembles the Latin word *agnus*, which means "lamb," and its association with gentleness, purity, and submission.

During the month of January, we pray for all mothers who are seeking abortions and those who support the decision. May they have a change of heart and decide to choose life and reach out to the crisis pregnancy resources available. Our God is all loving, merciful, and willing to walk with them through this challenging time. The Project Rachel ministry can refer mothers to these resources, in addition to post-abortion resources. Please find out more about us www.renodiocese.org. Click on Our Works, scroll down, click on Project Rachel.
