Little is known with certainty about the life of Saint Pancras, but the essential facts are sufficient cause for admiration. Pancras was an orphan who traveled to Rome from the east in the company of his uncle. The pair converted to Christianity and then died for that conversion during the reign of Diocletian. Pancras was perhaps fourteen years old when he traded his earthly life for a better one in heaven. He likely became well known owing to his rare combination of youth and heroic witness. Our martyr was buried near a major Roman road, and a modest basilica was constructed over his tomb. The shrine and its catacombs became a popular pilgrimage destination, partly due to its healing bath, which was famous for its curative powers. The ravages of time and foreign armies degraded the shrine, but it was rebuilt several times over the centuries. In the seventeenth century, the Basilica of Saint Pancras was entrusted to the Discalced Carmelite Order, whose members still reside there today. Saint Pancras, you gave away your young life rather than offer worship to a false god. May your example inspire, and your intercession strengthen, all young people to put love of God above all else.

The Men's Fellowship Officers are excited to announce that they will once again hold monthly meetings in the Parish Hall! It's been approximately 2 years since we've last met, and we're looking forward to revitalizing our group with positive energy and dedicated service to our Parish. **The First Meeting will be held on Thursday, May 12<sup>th</sup>.** Doors open at 6pm (bar will not open until after the meeting). Meeting begins promptly at 6:30pm. Bring friends and family, all males of age 16+ are invited! Bring any thoughts and ideas toward a positive revival of our Group! We will be providing a small dinner of pizza and soft drinks. Therefore, we are requesting all to RSVP in order to organize and prepare. Please contact President Bill Haughie, Treasurer Curt Emrie, or Secretary John Guastella.

### From Bishop Mueggenborg:

The Special Second Collection this weekend benefits the Catholic Home Missions Appeal and I ask that you consider donating to this program. As one of the USCCB Subcommittees, the Catholic Home Missions Appeal program offers financial support to the Catholic Church in the United States, its territories, and former territories by offering grants to dioceses that would not be able to function without assistance. This annual fundraising campaign brings awareness to American Catholics about the needs of these dioceses and invites them to assist fellow Catholics in the practice of the faith. The Catholic Home Missions Appeal principally focuses on 4 key pastoral services: evangelization activities, religious education, ministry training for priests, deacons, religious sisters and brothers, and lay-people, and finally, support of poor parishes within these dioceses across the country. These and other pastoral services assist parishes like your own which would otherwise be lacking fundamental elements of parish life. Your generosity will "hit home" so to speak, for many Catholics as your assistance directly supports the pastoral services provided by the Catholic Home Missions Appeal. I ask you to prayerfully consider how you can support the appeal program this year. Please visit [www.usccb.org/home-missions](http://www.usccb.org/home-missions).

May is traditionally the Month of Mary Our Mother. "All graces given by God pass through the Blessed Mother" (St. Padre Pio). We pray for all women who suffer the pain of Post-Abortion Syndrome. May they receive the grace from God through Mary to reach out for healing. Please find out more about us at [www.renodiocese.org](http://www.renodiocese.org).
